REGGIE SMITH TO HOST BASEBALL CLINIC IN PARTNERSHIP WITH DELTA SOUL CELEBRITY GOLF AND CHARITY EVENT

GREENVILLE, MS – In collaboration with the Delta Soul Celebrity Golf and Charity event, Reggie Smith, 17 year veteran of the MLB, will host a Baseball Clinic here in Greenville for youth ages 9 and above.

The Baseball Clinic will take place from 8:00 am –12:00 pm on Thursday, June 9, 2016 at Legion Field at the Delta Sportsplex, located at 1040 South Raceway Road in Greenville. Baseball great, Reggie Smith, will be teaching not only the basics of baseball, including fielding, throwing and hitting, but the basics of life helping to mold our community's youth into future athletes. Registration will begin at 7:30 am at the Delta Sportsplex. The cost is \$10 per athlete and all proceeds will benefit the Delta Sportplex.

“When we received notification that Reggie was going to be with us again this year for our Delta Soul event, we immediately reached out to him about offering an event like this to the youth of our community,” states Steve Azar, organizer and founder of the Delta Soul Celebrity Golf and Charity event and of the Steve Azar St. Cecilia Foundation. The foundation supports many worthy organizations throughout the Delta region and beyond focusing on the arts, children and education. “Physical fitness and healthy eating has always been important to me,” continues Steve. “So, this is the

perfect opportunity to have Reggie here to help inspire and teach our community's youth about healthy living as well as to encourage the next professional baseball player!"
